About Foróige

At Foróige, you're not just taking on a job- you're joining a movement that empowers young people and transforms communities. With over 600 dedicated staff and thousands of volunteers, we work together to create impactful change through innovative programmes, clubs, and services.

Foróige is an independent, non-profit national voluntary youth organisation engaged in out-of-school youth development and education. The purpose of the organisation is to enable young people to involve themselves consciously and actively in their own development and the development of society.

About the Project

Working in a Youth Diversion Project, regardless of the role, will allow you to take a journey with young people and families, who are often the most marginalised and disadvantaged. Many have faced great obstacles, tragedy and adversity in their lives, yet are inspiring in their ability to cope, bounce back and often flourish, once given the appropriate opportunities and supports. Foróige's philosophy underpins all of our work and this supports our passionate belief in the importance of giving second chances and opportunities to young people regardless of their circumstances. These projects are part of a network of Youth Diversion Projects; funded by the Department of Justice and by the European Social Fund and Dormant Accounts, in conjunction with An Garda Síochána under the new Youth Justice Strategy 2021 - 2027 and will be managed by Foróige.
