There are four options \*  
?

1. A volunteer led Foróige Club. This meets weekly for about 90 minutes during school term time. We have about 600 of these around the country. They would involve you in a team of adults supporting the young people to run the club.

?  
2. Big Brother Big Sister. This is a one to one mentoring programme matching an adult volunteer with a young person who needs an extra adult friend or supporter. This requires a one year weekly commitment of about 90 minutes.

?  
3. Youth Entrepreneurship Programme (NFTE). Use your business or entrepreneurial skills to support a young person to learn business skills to turn their own ideas into a small business now, and a bigger business in the future.

?  
4. Other Opportunities. Pass on a skill you may have such as drama, cooking, sport, first aid etc.

?  
5. Foróige Techspace. Volunteer in, or set up a Foróige TechSpace which is a club bringing creative Technology and Computer science including robotics, coding, design, app development and animation to young people aged 10 to 17.
