## Consultancy

### 21st Century Education Consultants

Foróige brings over 60 years of collective experience developing policies, practices, programmes, training and strategies in the field of youth education programmes.

We have a team of experienced educators who design our curriculum and training programmes. As an international leader in youth education, we are passionate about engaging with organisations that are seeking to make a positive contribution to the lives of young people and communities across the world.

Foróige has also produced high level training manuals in a wide range of areas including Leadership, Citizenship, Health and Well Being and Crime Reduction. These resources are available with our Train the Trainers courses.
