BBBS Volunteers FAQ's

Q. *Who are our volunteers?*

A. Our volunteers are adults from the community, just like you! Volunteers are vital to the BBBS programme as it could not exist without them.

Q. *What is expected of volunteers?*

A. Volunteers are asked to spend 1-2 hours a week with their little brother/little sister. The initial commitment is for one year.

Q. *What support will I get as a volunteer?*

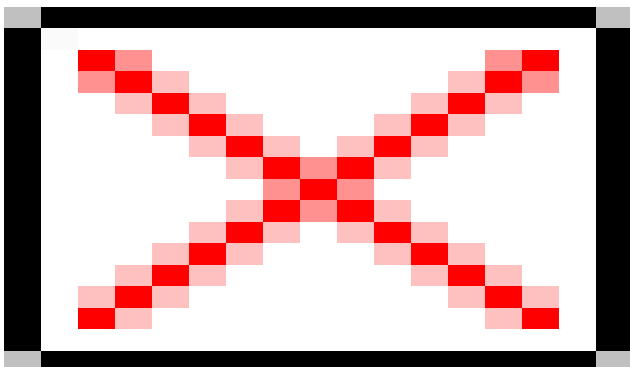

A. All volunteers participate in induction training prior to being matched. Once matched, ongoing support and training is offered to all volunteers.

Q. *What will I do with my Little Brother/Sister?*

A. Together, you can decide on what activities you would like to do. Go for coffee, play football, do arts and crafts, play computer games. We've compiled a list of [suggested activities](#) [3].

Q. *What will I get out of it?*

A. It's great fun, you'll do things you haven't done in years! It is an opportunity to develop a friendship with a young person, share common interests and to try new things.
