About Foróige

Foróige is an independent, non-profit national voluntary youth organisation engaged in out-of-school youth development and education. The organisation aims to enable young people to involve themselves consciously and actively in their own development and the development of society.

Foróige employs over 400 staff and involves thousands of volunteers in the creation and delivery of high-quality services to young people through the operation of over 600 Foróige Clubs, Foróige Mentoring Programmes and over 140 General Youth Services and Special Projects. These community-based and community-supported initiatives are run throughout the country, in rural and urban environments, and generally in partnership with various voluntary and statutory agencies.

The organisation is a registered charity and is supported by a combination of statutory, philanthropic and corporate funding. Foróige is an equal opportunity employer and is committed to a policy of Equality of Opportunity in its employment practices.

Project information

The programme matches an adult volunteer to a young person in need of support. Its core assumption is that a caring and supportive friendship will develop and reinforce the

positive development of the young person. Typically, the match meets once a week, for one to two hours, and the initial commitment is for one year. The underlying assumption is that the adult volunteer will become a role model, a mentor, but perhaps most of all, a friend.

In this mentoring initiative young people will be referred through the Child and Adolescent Mental Health Services (CAMHS) or by other referral services, where the young person is known to be on the waiting list, attending or exiting CAMHS, for a range of needs including: poor social skills; low self-esteem and confidence, lack of positive peer relationships; emotional issues, lack of engagement or underachievement at school; engagement in risk behaviours and/or rural isolation.

A blended mentoring programme will be offered to support young people by matching them with a caring adult volunteer who they can connect with weekly in person or online, through the mentoring App 'OurSpace'.

The Programme Officer will be employed by Foróige and will be given a fixed term contract of employment. It must be understood however, that if the position becomes redundant at any time during the period of the contract or if the funding of the post is discontinued or a post holder fails to perform satisfactorily, employment may be terminated.
